My Husband and I were recently married and had our reception at the Gizio Club. There are not enough words to express how happy we were about our special day. Mirella, from the very beginning, was fantastic! She really listened to our vision and made it come to life. She was so easy to work with and very accommodating. The venue itself is just breathtaking. Inside and out, is absolutely gorgeous. The food was INCREDIBLE! My guests are still talking about how delicious it was. You will not be disappointed. I wish I could do it all over again because it really was everything I hoped for and more. You will not be disappointed! I would like to thank the Gizio Club, from the bottom of my heart, for everything they did for us, leading up to and on our special day! I cannot wait to return for my sister's wedding!!

Gizio is a wonderful location for a wedding! My husband and I were very satisfied with the service we received. Mirela was amazing to work with- she truly cares about her clients. She was very helpful in wedding planning and answered my many questions. The space was simply beautiful! We had a lot of compliments on the food as well. I highly recommend Gizio for special events!

- CHLOE

My partner and I got married here. We loved the beautiful landscape and outdoor space immediately. The inside space was beautiful as well. We loved working with Mirela and she asked all the questions we didn't think of and helped us through the process. We were worried about the food because there was no option to taste it before hand, but it for great reviews from our guests. Someone said the chicken was the best they'd ever had. We had the vegan option and enjoyed it. Would definitely pick this place again if we did it all over again.
